

EFFECTIVE 12/12/2019

The following Privacy Policy governs the manner in which AppMedy Games, LLC (“AppMedy”) collects, uses, maintains, and discloses information collected from users. Mobile applications and games (“Apps”) offered by *AppMedy* may be distributed under the following names:

- Noah Sadir
- Guillermo Sadir
- AppMedy
- AppMedy Games
- AppMedy Games, LLC

This Privacy Policy applies to all Apps published by *AppMedy* available on iOS, tvOS, and Android under the names above.

Information collected by *AppMedy*

We do not knowingly collect, store, or distribute user information, however we use third party services which may collect personal and non-personal information from users.

Please contact appmedygames@gmail.com if you have any questions or concerns regarding information collected by our *Apps* or services, including those regarding information collected by third party services.

Advertising

Apps distributed by *AppMedy* may incorporate advertisements (“Ads”) which may collect and use information that is not personally identifiable. The following advertising services which may be present in our Apps include:

Unity Ads

Unity may collect information outlined in their privacy policy (<https://unity3d.com/legal/privacy-policy>). As of the effective date of our Privacy Policy (12/12/2019), Unity does not collect personal information, however it may collect unique device information and usage data. This information may be available to AppMedy, however it is not stored nor maintained by AppMedy. Please contact appmedygames@gmail.com if you have any questions or concerns regarding the use of Ads in our Apps.

In-app purchases

Apps distributed by *AppMedy* may incorporate in-app purchases (“IAPs”), with payments being processed natively through their respective platforms. Platforms include:

iOS and tvOS

IAPs made on iOS and tvOS are processed by Apple. Personal information not available to AppMedy may be collected when a user makes an in-app purchase. The information collected is outlined in their privacy policy (<https://www.apple.com/legal/privacy/en-ww/>).

Android

IAPs made on Android are processed by Google. Personal information not available to AppMedy may be collected when a user makes an in-app purchase. The information collected

in outlined in their privacy policy (<https://policies.google.com/privacy>). Information pertaining to purchases made under Google Play are further outlined in the Google Payments Privacy Notice (https://payments.google.com/payments/apis-secure/u/0/get_legal_document?ldo=0&ldt=privacynotice).

Children's Privacy

We value the privacy of all users regardless of age, including those under the age of 13. We do not knowingly collect information from individuals of any age, however if you have concerns regarding the collection of information, especially of those under 13, please contact appmedygames@gmail.com or development.noahsadir@gmail.com

Privacy Disclaimer

While AppMedy makes every effort possible to protect user data, we cannot guarantee that such information is handled securely by third party services. We believe that the following services mentioned in this Privacy Policy handle user information appropriately and securely and we recommend reviewing the privacy policies of each, especially if there are any concerns.

Contact

If you have any concerns about our Apps, third party services, or AppMedy, please do not hesitate to contact appmedygames@gmail.com or development.noahsadir@gmail.com.

Note

For general questions, we recommend contacting appmedygames@gmail.com
For urgent concerns, we recommend contacting development.noahsadir@gmail.com
We will make an effort to respond with relevant information regardless of which email address is contacted.
